

Getting Ahead – Pre-course Work

#ThinkBrock

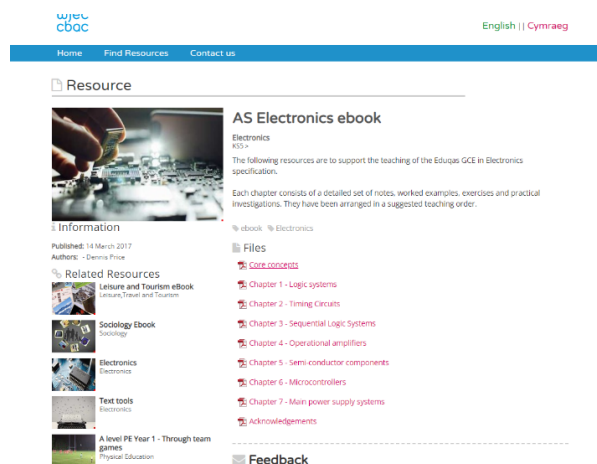

Electronics A Level

In google, search 'wjec electronics resources'

Click on the top choice and you should get the page shown below.

Click on 'AS Electronics e-book' and will get to this page.

Open up the first section called 'Core Concepts' and read pages 1 through to 13.

Answer questions 1, 2 and 3 on pages 23 and 24 and write your workings and answers down on a piece of paper.

During lesson 1 we will be going through the answers.
