

Getting Ahead – Pre-course Work

#ThinkBrock

Photography A Level

Welcome to **Photography**. In preparation for the start of the course, please complete these tasks and have them with you to hand in during your first week of college in September.

These tasks should take you approximately four and a half hours to complete and are designed to give you an introduction to the subject, and the expectations we have for you to complete at least four and a half hours of independent study, per subject, per week.

A Summer of photography:

Take 24 photographs that reflect parts of your life over the summer.

Use this link to guidance and template for your work. You will need to download the [template](#), save it before you work on it. Save it in a safe place.

Getting Equipped

You will also need the following:

- A way to take photographs, if you have your own camera, please use that or you can use your phone.
- All images must be jpeg (on your mobile phones make sure you set this correctly.)
