Sociology A Level

Welcome to **Sociology A Level**. In preparation for the start of the course, please complete these tasks and have them with you to hand in during your first week of college in September.

These tasks should take you approximately four and a half hours to complete and are designed to give you an introduction to the subject, and the expectations we have for you to complete at least four and a half hours of independent study, per subject, per week.

Task 1: Core Concepts

Please watch the documentary 'Three Identical Strangers' - available on Netflix and Vimeo.

Once you've watched it, please scan the QR code and read about the Nature vs. Nurture debate.

Now, please create a summary/review of the documentary and how it links to the Nature vs. Nurture debate. How much of human behaviour do **you** think is linked to nature? What about nurture?

The document should be around 1 side of A4 and can be typed or handwritten

Task 2 : Youth Culture

Please research the Mods & Rockers and produce a newspaper article to explain what happened on the Bank Holiday weekend in 1964. You should write the article in the style of a news reporter at the time, informing the public of the dangers of these new gangs!
